

# Proposition 1

## The Right to Farm & Ranch in Texas

---

**Protects the everyday practices used on ALL Texas farms and ranches—big and small**

---

Sec. 36. (a) The people have the right to engage in generally accepted farm, ranch, timber production, horticulture, or wildlife management practices on real property they own or lease.

---

**Stops abuse of regulatory power by requiring proof there is an actual danger to the public**

---

(b) This section does not affect the authority of the legislature to authorize... a state agency or political subdivision when there is clear and convincing evidence that the law or regulation is necessary to protect the public health and safety from imminent danger.

---

**Protects animal health and welfare**  
**Protects crops from diseases and pests**

---

(b) This section does not affect the authority of the legislature to authorize... a state agency to prevent a danger to animal health or crop production.

---

**Protects water, fish and wildlife, trees, and other natural resources**

---

(b) This section does not affect the authority of the legislature to authorize... a state agency or political subdivision to preserve or conserve the natural resources of this state.

---

**Proposition 1 isn't about protecting the past. It's about ensuring Texans' access to safe and affordable food in the future.**
